FRONT

Design illustrative purposes only, may vary based on product & design

Sides

***Should you find that the door pin does not fit due to the powder coating, this is perfectly normal and requires minimal corrective effort.**

Step 1 – Inspect pin on the door

Step 2- Clean

Please use a Flat nose Pliers or similar tool to remove the extra powder coating from pin,

This is achieved by gripping the pin and rotating in a circular motion,

The powder should come off with ease and the metal on the pin should now be visible.

Well done, the door will now fit!

WARRANTY SERVICE

LIMITED WARRANTY

FOR ONE YEAR from the date of purchase from Segensolar, this product is warranted against any defects in material or workmanship.

In the event of a warranty claim, an invoice from Segensolar is required, a defective part will be replaced free of charge by the manufacturer.

If a replacement part is unavailable, the product will be replaced with one of equal value.

This warranty does not apply to a product that is damaged or altered through transportation, misuse, abuse, corrosion, accident, neglect, modification or mishandling.

Please note the cabinets have been strictly engineered as follows

US2000-W2B = 2x US2000 Pylontech Batteries (Wall Mount)
US2000-2B = 2x US2000 Pylontech Batteries
US2000-4B = 4x US2000 Pylontech Batteries
US2000-5B = 5x US2000 Pylontech Batteries

US3000-W2B = 2x US3000 Pylontech Batteries (Wall Mount)
US3000-2B = 2x US3000 Pylontech Batteries
US3000-3B = 3x US3000 Pylontech Batteries
US3000-4B = 4x US3000 Pylontech Batteries

3 cabinets stacked at most, largest cabinet at the bottom.
Any damage due to over stacking will not be covered by warranty.

Please send any warranty queries together with a copy of your invoice to
