SOLAR MOUNTING SYSTEMS

STATEMENT OF GUARANTEE

© 2015 Kenani Designs (Pty) Ltd,
Manufacturer of the KD Solar Brand

KD Solar Aluminium range of solar mounting systems (with stainless steel components) carries a 10 year guarantee. The KD Solar brand is wholly owned by Kenani Designs (Pty) Ltd who offers the guarantee.

The KD Solar aluminium series is guaranteed to be free of any manufacturing defects that may cause it to be structurally unsafe or to not operate as a solar mounting system.

The guarantee is only in effect if the correct installation of the solar mounting system and proper maintenance thereof is carried out.

The systems must be purchased directly from KD Solar. In the event of a claim the onus is on the claimant to provide dated proof of purchase.

In the event of a guarantee claim, we will either repair or replace the components with the same if available or with the product range at the time. Any incidental or direct costs that occur as a result of the claim such as courier or transport of the goods or damages caused by the defect of the part are not included in the guarantee.

We will not accept or reimburse the costs of any third party who undertakes any work carried out on the system or its components, unless we have approved such work in advance of it being carried out.

The guarantee will not be extended if we repair or replace any part.
