Notice

All results mentioned in this document are PRELIMINARY results subject to confirmation as will be set forth in the FINAL document/report after necessary review. You shall therefore **NOT RELY** on these PRELIMINARY results as it is not official technical conclusion with support of SGS test report. All Official test reports have to be reviewed and signed by our qualified reviewers based on the ISO17025 requirement. Therefore, SGS will not accept any liabilities if the customer or manufacturer decides in starting production without waiting for the official SGS test reports.
