

WARRANTY INFORMATION

- The operating system contained on this Raspberry Pi as well as the accompanying Solar Management Hub software is distributed in the hope that it will be useful, but without any warranty whatsoever.
- It is provided "as is" without any warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.
- The entire risk as to the quality and performance of the program is with the user.
- Should the program prove defective, the user assumes the cost of all necessary servicing, repair or correction to any affected systems, programs or otherwise.
- In no event will the author be held liable for any damages, including any general, special, incidental or consequential damages arising out of the use or inability to use Solar Management Hub software or any accompanying hardware.
- The Raspberry Pi is covered under the standard one-year warranty as supplied by the Adafruit Corporation. Please see the insert that came with your packaging.
